BOOK SYNOPSIS

Give your students the text that makes algebra accessible and engaging -- McKeague's INTERMEDIATE ALGEBRA. Pat McKeague's passion for teaching mathematics is apparent on every page, and this Ninth Edition continues to provide students with a thorough grounding in the concepts central to their success in mathematics. Attention to detail, an exceptionally clear writing style, and continuous review and reinforcement are McKeague hallmarks that constitute the solid foundation of the text, while new pedagogy help students bridge the concepts. These bridges guide students and help them make successful connections from concept to concept and from this course to the next. INTERMEDIATE ALGEBRA is one of the most current and reliable texts you will find for the course, and is ideally structured and organized for a lecture-format. Each section can be discussed in a 45- to 50-minute class session, allowing you to easily construct your course to fit your needs. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

INTERMEDIATE ALGEBRA TEXTBOOKS AVAILABLE WITH CENGAGE

YOUBOOK - Are you looking for Ebook Intermediate Algebra Textbooks Available With Cengage Youbook ?
